

The Honorable Amy C. Barrett  
Robert K. Rodibaugh United States Courthouse  
401 S. Michigan Street  
South Bend, IN 46601-230

Dear Judge Barrett,

I am writing to you today to respectfully request you release records pertaining to your tenure at Notre Dame College. Accountable.US is dedicated to holding public officials to the highest standards of transparency and ethics to ensure they are advancing policies in the public interest and not special interests.

As you are nominated for a lifetime appointment on the Supreme Court, it is imperative that the nomination process includes a full and complete understanding of your record so the American people, and their representatives in the U.S. Senate, can review and make an informed decision about your ability to serve.

To that end, we are requesting that you allow Notre Dame, where you served as a law professor for the vast majority of your tenure, to make public documents relevant to your nomination, including all communications, including emails, as well as your personnel file, student evaluations, and any information regarding your involvement in faculty groups and committees.

Again, a lifetime appointment to the Supreme Court requires utmost transparency and accountability. We look forward to your response to this request.

Sincerely,

Kyle Herrig

President
