Southern Poverty Law Center Identified New Century Foundation As A White Nationalist Group That Published The Racist *American Renaissance* Magazine And “Conferences Every Other Year Where Racist ‘Intellectuals’ Rub Shoulders With Klansmen, Neo-Nazis, And Other White Supremacists.”

“Founded by Jared Taylor in 1990, the New Century Foundation is a self-styled think tank that promotes pseudo-scientific studies and research that purport to show the inferiority of blacks to whites — although in hifalutin language that avoids open racial slurs and attempts to portray itself as serious scholarship. It is best known for its American Renaissance magazine and website, which regularly feature proponents of eugenics and blatant anti-black racists. The foundation also sponsors American Renaissance conferences every other year where racist “intellectuals” rub shoulders with Klansmen, neo-Nazis and other white supremacists.” [Southern Poverty Law Center, Accessed [12/7/20](#)]
